

7. FILMOGRAPHY

This modest catalogue of films tries to indicate to you selected films “of *samurai*” or on medieval Japan but also some documentary techniques related to the martial arts or tourism - to visit Japan in your armchair.

DOCUMENTARY TECHNIQUES A film will not replace the teaching of a master but by showing techniques, Masters give us an outline of the road to be traversed.

HISTORY & TOURISM Japan and nippon civilization by its distance of our society, intrigue and fascine. Here some cassettes which briefly present the country and its history in all its diversity.

METHODS OF LANGUAGE In premium some methods of language on computer for those which want to be initiated with Japanese.

FICTIONS Films or serials, traditional or *shambara*, about thirty references of videos to live again on the small screen the hard life at the time of medieval Japan.
