

8. GOOD TIPS OF ARZ

The headings presented here enable us to invite you to discover Japanese civilization by various facets according to your tastes and your availabilities:

- MATERIAL** You will find here some addresses of stores specialized in furniture of material for practise of martial arts; pair of *zoori* to the plates of *tatami*.
- GAMES** data processing, of cards or plates, with or without figurines, it is another manner of approaching the history of medieval Japan.
- BOOKSHOPS** For all those which want to be plunged in Japanese civilization in company of the largest Japanese authors or the most beautiful photographs of the gardens *Zen*.
- MUSEUMS** From France, Spain or Italia, some museums contain treasures of Japan medieval. Some are here referenced.
- EXHIBITIONS - SHOWS - CONCERTS** paints, sculptures, *origami*, concerts, exhibitions, entertainments,... or when Japan comes to the encounters of the Occident.
- GALLERIES** Galleries and antique dealers to cloud or admire Japanese objects authentically old.
- CRAFT INDUSTRY** Because the beauty accompanies much by objects and to bring back a little Japanese civilization to the house.
- GROCERS & TEA** To let itself try to create *sushi*, *sashimi*, *yakitori* and other *sukiyaki* with the good ingredients, and to find stores specialized in the sale of teas.
- RESTAURANTS - TEAROOMS** For those which would not have dared the preceding heading or which would like to precisely compare with their receipts.
- PLACES OF TRAINING COURSES** Find on this page address and phone number of the centres in which the ARZ organized their training courses.
